MEMORANDUM FOR: NIO/Warning

FROM: Theodore G. Shackley  
Acting Deputy to the DCI for Collection Tasking

Subject: Staffing for the National Warning System

The draft paper on the Strategic Warning Staff which was distributed at the Warning Working Group meeting of 2 February 1979 has been reviewed by the Collection Tasking Staff (CTS). In short, CTS has no problems with this draft and finds it to be an accurate reflection of the deliberations of the Warning Working Group. As a result it is recommended that you put this draft report in final form and send it to the decision-makers.
